Dear Secretary Rhoades,

I am writing on behalf of the GCPD MAPP Ad-hoc Committee to thank you for the time you took on Friday, February 5th, to meet with us and discuss MAPP work requirement changes. We understand your time is valuable and do appreciate the time you took that day.

We would also like to invite you, or someone from your department, to attend our next Governors Committee for People with Disabilities meeting on March 10 at the Crowne Plaza in Madison in an effort to understand DHS's concerns and consequent disapproval of Rep. Jacque's MAPP legislation drafted after the February 5th meeting. We were disappointed that Rep. Jacque's MAPP bill pass was unable to pass through committee, but are ready and willing to continue to collaborate on MAPP changes. We would like to start to work with you on this as soon as possible to get it ready for the upcoming budget.

Please let me know who would be able to attend the GCPD meeting on March 10th. I look forward to your response and sincerely appreciate your attention to our request. You can reach me at (920) 490-8270 (ext. 179).

Thank you,
