The Governor's Committee is charged with the following duties:

- Advise the Governor and state agencies on problems faced by people with disabilities. Review legislation affecting people with disabilities.
- Promote effective operation of publicly-administered or supported programs serving people with disabilities.
- Promote the collection, dissemination and incorporation of adequate information about people with disabilities for purposes of public planning at all levels of government. Promote public awareness of the needs and abilities of people with disabilities.
- Encourage the effective involvement of people with disabilities in government.

In 1948, a Governor's Committee was established with one goal: To improve employment opportunities for people with disabilities. The Committee's mission was broadened in 1976 to cover many aspects of disability, with six of its member's representative of six other state specific statutory councils on disability.

The Committee is administratively attached to the Department of Health Services. Please contact as soon as possible:
